Following is text draft ~~resolution referred to above~~

OAS Resolution re surveillance being given serious consideration for possible early action COAS/OC. Appreciate your comments by 9:00 A.M. Saturday if possible.

WHEREAS

COAS/OC in resolution October 23 recognized that (last whereas clause);

OC in same resolution called for (operative paragraphs 1 and 2);

Chairman of Council of Ministers of USSR, on behalf his government, has agreed with President USA to dismantle and remove such weapons from Cuba;

Existing threat cannot be said to have terminated unless there is positive and continuous assurance that Cuban Government does not continue receive from Sino-Soviet powers missiles and other military material with offensive capability;

OC must, therefore, provide itself with information on continuing basis re possible existence of such missiles and military materiel in Cuba;

COAS/OC

USUN NEW YORK

RE: CUBA MISSILE CRISIS

CONFIDENTIAL

RESOLVES:

1. To recommend that, pending establishment of adequate arrangements for surveillance and inspection under auspices of UN, as one of measures taken accordance Resolution of October 23, 1962 there be undertaken such aerial and other appropriate surveillance and inspection ~~AS MUCH AS~~ as may be necessary assure that all missiles and other weapons with any offensive capability are dismantled and withdrawn from Cuba and that such weapons are not re-introduced in Cuba;
2. To request member states which participate in such surveillance so to inform SYG of OAS, to keep COAS/DC advised of results of such surveillance, and to consult with each other with view to establishment of coordinated and effective action.
